All about rabbits!

Basic info

Rabbits are little creatures with long ears and puffy tails, and they move their nose up and down in an adorable way. They eat the most orange vegetables in *our* world, and they **reproduce more than any human ever has**.

Escoge 1 respuesta:

✓ A

```
h2 {  
  color: rgb(255, 0, 0);  
}
```

¡Lo tienes! El selector de elementos debe ser únicamente el nombre de la etiqueta, sin paréntesis angulares ni ningún otro símbolo.

B

```
<h2> {  
  color: rgb(255, 0, 0);  
}
```

Si deseas seleccionar todos los <h2> en la página, debes eliminar los paréntesis angulares para especificar el selector h2.

C

```
#h2 {  
  color: rgb(255, 0, 0);  
}
```

Si deseas seleccionar todos los <h2> en la página, debes eliminar los paréntesis angulares para especificar el selector h2 y no agregar ningún otro símbolo.

¡Bien! ¿Ahora también puedes agregar una imagen de una criatura genial?

Little Bunny Foo Foo,
I don't want to see you
scooping up the field mice

And down came the Good Fairy
And she said

I don't like your ice antelope."
